

The Vault is a growing selection of Private Label formulas available for bulk purchase or to be filled into our packing or our clients' packaging.

All Vault formulas are Paraben-Free, Sulfate-Free, have a Natural Base and contain only Natural Colors.

Note: Products listed in 'red' have a pH level lower than 3.0 and are sold only to licensed skincare professionals (i.e. Pro Use Only). Please contact a Sales or Account Executive for the documentation *required* to purchase the Pro Use Only products.

For more information on our 'Vault' products please email customerservice@covalence.com or call 480.897.0551 to speak with a Sales Executive.
Prices are subject to change.

THE VAULT PRICE LIST

CLEANSERS

AHA Mint Cleanser (VLT0.1013) promotes cellular renewal and reduces wrinkles with L-lactic, Malic and Tartaric Acids.

All Clear Cleanser (VLT0.1015) provides the clarifying benefits of Salicylic Acid, Flower Acids and Totarol.

Bright-On Cleanser (VLT0.1012) brightens with the power of Tyrostat™ and the mitochondrial support of L-carnitine.

Cranberry Pome Cleanser (VLT0.1007) exfoliates, clarifies and brightens with Salicylic Acid and Pomegranate Enzymes.

Culture Clash Lotion Cleanser (VLT0.1003) improves extracellular matrix repair and reduces inflammatory damage with rich probiotics and growth factors.

Dual Control Fruit Cleanser (VLT0.1011) reveals radiant skin with L-lactic Acid, Salicylic Acid and Mangosteen Extract.

Exfoliating Face Wash (VLT0.1001) smoothes with Glycolic Acid and brightens with White Peony Extract.

Herbal Cleanser (VLT0.1005) hydrates and brightens with a blend of L-lactic Acid and Apple Extract.

High Voltage Foam - Cleanser & Prep (VLT0.1016) exfoliates with professional strength Glycolic Acid.

On Target – 10% BPO Cleanser OTC (VLT0.1018) formulated with a powerful 10% strength of Benzoyl Peroxide. On Target takes perfect aim and hits the bull's-eye (blemish) each time it is used to cleanse skin.

No Voltage Cleanser (VLT0.1010) nourishes skin with Shea Butter while gently improving circulation with Blue Lotus Extract.

Rose Mint Cleanser (VLT0.1000) provides cellular and DNA protection from environmental stressors.

Tangerine Dream Oil Cleanser (VLT0.1017) a deep oil cleanser with the natural anti-age benefits of essential oils leaves skin feeling more soft and supple while working to efficiently remove makeup.

Tea Tree Foaming Cleanser (VLT0.1009) clarifies problematic skin with a therapeutic level of Tea Tree Oil.

TONERS

Aloe Soothing Toner (VLT0.2001) provides the UV protecting properties of Aloe Vera and Cactus Extracts.

Berry Toner (VLT0.2004) protects newly exfoliated skin from free radical damage with the super fruit power of Blueberry, Cranberry and Goji Berry.

Clarifying Toner (VLT0.2007) provides anti-inflammatory, sebum reducing and anti-bacterial properties with Salicylic Acid, Niacinamide and Totarol.

D2O Toner (VLT0.2006) offers intense moisturization with Heavy Water, Hyaluronic Acid and Borage Oil.

Enviroprotect Peptide Mist (VLT0.2002) provides natural photo-protection and anti-inflammatory properties with Melitane[®] and Abyssine[®]657.

Mojito Tonic (VLT0.2011) this exotic facial cocktail was developed to gently exfoliate the skin by combing glycolic acid and sugar cane extract. The Lime and Spearmint oil leaves your skin feeling refreshed.

OmniPlex Hydrating Toner (VLT0.2009) brightens and protects with L-ascorbic Acid, Tomato Fruit Lipids and L-glutathione.

Pome Exfoliating Toner (VLT0.2005) gently exfoliates with Salicylic Acid, Glycolic Acid and polyphenol rich Pomegranate Enzymes.

Wasabi Clarifying Toner (VLT0.2003) clarifies with Salicylic Acid, Tea Tree Oil, Wasabi and Rooibos Extracts.

Wipeout Toner (VLT0.2008) exfoliates with a professional strength combination of Glycolic and Salicylic Acids.

SCRUBS

Bamboo Polish (VLT0.6400) intensely exfoliates with a powerful microdermabrasion combination of Bamboo and L-lactic Acid.

Buffing Poppy Seeds Scrub (VLT0.2503) a fantastic exfoliator that helps eliminate dead skin and reveal luminous new, smooth, and “flower approved” skin.

Dual Action Scrub (VLT0.2500) revitalizes dull skin with a synergistic blend of Salicylic Acid and Diatomaceous Earth.

Gentle Seed Scrub (VLT0.2501) removes dull, flaky skin with gentle Date Seeds.

Peppermint Scrub (VLT0.2502) provides gentle exfoliation with Jojoba Beads while Squalane and D-alpha Tocopherol moisturize the skin.

EXFOLIANTS

Carrot Smoothie (VLT0.3001) promotes cellular renewal and reduces wrinkles with L-Lactic Acid and a unique carotenoid complex of Carrots, Pumpkin, Tomato Lipids, Seabuckthorn and Beta-carotene.

Natural Selection Peel (VLT0.3008) combines natural AHA's and BHA's using Willow Bark Extract, Hibiscus Flower Extract and a mix of Fruit Acids that lightly exfoliate and rejuvenate the skin...effectively, gently and naturally.

Orange Zest Smoothie (VLT0.3006) a blend of 6% AHAs combined with fresh orange puree, fruit lipids and flower extracts, work to stimulate, improve texture and protect against free radical damage – leaving skin feeling soft and renewed.

Papango Enzyme Mask (VLT0.3002) accelerates exfoliation, stimulates new cell growth and smoothes fine lines with a blend of enzymes and encapsulated Salicylic Acid.

Pome Firming Peel (VLT0.3000) exfoliates, brightens and firms with AHAs, Arbutin and Osilift®.

PEELS

Chiral Peel (10% - VLT0.3013, 20% - VLT0.3014, 30% - VLT0.3015) the next generation peels that works to improve the health of one's skin while exfoliating away the wear and tear of environmental stressors. Our selection of Chirally-Correct ingredients will produce far healthier and noticeable results.

It's Zyme to Peel (VLT0.3011) packed full of six (6) natural, potent enzymes to wake up dull, tired skin. It's Zyme to Peel is the ideal solution for all skin types, including sensitive skins.

Mojito Peel (VLT0.3007) combined with a unique Sugar Cane Extract (a natural component of Glycolic Acid) plus Glycolic Acid the Mojito – it helps you say “adiós” to dull, rough skin and “hola” to gorgeous, radiant skin.

Sizzle (VLT0.3010) a mojito-mint green cream which contains numerous acne fighting acids and oils, that when combined quickly work to make those breakouts vanish.

Super Jessner (VLT0.3005) Not your typical Jessner...Super Jessner combines 14% Resorcinol, 14% Salicylic Acid and 14% L-lactic Acid with Noni Fruit Extract and Sea Buckthorn Extract for an Antioxidant and Omega 7 Fatty Acid boost that is 'super-charged', ready to enhance cell regeneration.

TCA 10% (VLT0.3003) one of the nation's most popular peels, the 10% TCA (Trichloroacetic Acid) is poised to effectively peel away sun damaged and hyper-pigmented skin revealing healthier skin that has been in hiding.

TCA 20% (VLT0.3004) one of the nation's most aggressive peels, the 20% TCA (Trichloroacetic Acid) is poised to effectively peel away sun damaged and hyper-pigmented skin revealing healthier skin that has been in hiding.

SERUMS

Antiox Serum (VLT0.4002) features our proprietary ingredient, Mitoprotect™ with the added antioxidant benefits of super fruits Acai and Camu Camu Extracts.

Bloom Serum (VLT0.4031) a potent anti-age formula designed with *FlowerFractions™* that help fight aging while promoting healthy skin transformation.

SERUMS (CONTINUED)

Brightside Serum (VLT0.4030) premium 'globally-accepted' serum is enlightened with a multitude of brightening ingredients including the most potent tyrosinase inhibitor ever reported – SymWhite. When SymWhite is paired with Algowhite®, skin will look whiter, clearer and more luminous in just 28 days.

Chain Reaction Serum (VLT0.4000) renews and promotes healthy tissue growth, boosts collagen and reduces wrinkles with its effective combination of Mitoprotect™, EGF and Apple Stem Cells.

Fade Away Serum (VLT0.4027) Arbutin and Kojic Acid alone are a powerful duo, we then included Tyrostat™ with Melanosatine®5. The combination of these two (2) ingredients gives your skin a brighter, even and more translucent appearance.

Hibiscus Exfoliating Serum (VLT0.4008) provides gentle exfoliation revealing smoother, brighter skin through the combination of Flower Acids and L-lactic Acid.

Hostile Takeover Serum (VLT0.4009) blends Manuka and Lemongrass Oil providing anti-bacterial, anti-microbial and anti-inflammatory properties. Combined with Salicylic Acid, our serum takes over oily, problematic skin leaving a more clear and balanced complexion.

Ocean's 11 Serum (VLT0.4017) effectively blends 11 powerful marine actives which combat destructive free radicals, soothe inflammation, protect against MMPi (Matrix Metalloproteinase inhibition), combat wrinkles, and visibly brighten skin. The plethora of 11 essential marine actives will help produce beautiful, healthy skin. *(Use with MARvelous Oceanic Mask (VLT0.4507) and Seven Seas Marine Gel (VLT0.4018) for an infusion of natural marine benefits.)*

Peptide-99™ Serum (VLT0.4015) brightens, helps to protect from UV damage, hydrates, builds collagen and firms skin due to a dynamic blend of eight (8) performance peptides totaling 99% of the entire formula.

Private Stock Peptide Serum (VLT0.4007) contains the highest recommended amount of Argireline™ and Matrixyl™ 3000 with added anti-inflammatory and antioxidant benefits of White Tea Extract.

Renewing EGF Serum (VLT0.4010) renews and promotes healthy tissue growth, boosts collagen and reduces wrinkles with its effective combination of EGF, ChronOLine™ and Cococin™.

Rosacea Calming Serum (VLT0.4005) The amazing R&D engineers at CoValence are building a new, superior Rosacea Calming Serum. Please let your Sales or Account Executive know if you would like to be added to the exclusive 'Grand Opening' Wait List for the new Rosacea Calming Serum.

Seven Seas Marine Gel (VLT0.4028) is a vibrant blue color thanks to the natural marine active, Phycocyanin-C (blue - green algae). Seven Seas indulges your skin with Caviar and other marine extracts, combined with L-lactic and Glycolic Acids, providing skin with cell turnover, nourishment and an antioxidant boost which rapidly transforms and rejuvenates skin. *(Use with MARvelous Oceanic Mask (VLT0.4507) and Ocean's 11 Serum (VLT0.4017) for an infusion of natural marine benefits.)*

Super HQ Serum – OTC (VLT0.4001) dramatically lightens pigmentation with Hydroquinone, L-lactic, Kojic, Salicylic and Azelaic Acids.

SERUMS (CONTINUED)

Triple C Serum (VLT0.4006) offers optimal brightening, collagen synthesis, and the antioxidant protection with a combination of three forms of vitamin C.

Vita A Alternative Serum (VLT0.4004) contains a botanical complex that increases the production of collagen, hyaluronic acid, and epidermal growth factors without the irritation of Retinol.

Vita A Serum (VLT0.4003) promotes new tissue growth and eliminates wrinkles and fine lines through the power of Retinol.

SPOT TREATMENT

Clarify Spot Cream (VLT0.4300) contains Salicylic Acid and Sulfur to quickly help unclog pores, combat bacteria and reduce inflammation.

Magic Marker - BPO Spot Treatment (VLT0.4301) our Magic Marker has 5.25% Benzoyl Peroxide to wipe out those pesky blemishes while promoting healthy cell renewal. Our formula is seamless and make-up is easily applied, leaving no cakey residue.

MASKS

Antiox Dark Chocolate Mask (VLT0.4501) hydrates with the antioxidant and anti-inflammatory benefits of a decadent combination of Cocoa, Blackberry and Passion Flower Extracts.

Cranberry Clarifying Mask (VLT0.4503) detoxifies and absorbs excess oil and impurities while Cranberry and Willow Bark Extracts combat harmful bacteria.

MARvelous Oceanic Mask (VLT0.4507) the combination of algae extracts tighten, strengthen, firm and improve skin tone while natural Phycocyanin-C (a blue-green algae) provides potent antioxidant and anti-inflammatory benefits to normal, acneic, sensitive and stressed skin. *(Use with Ocean's 11 Serum (VLT0.4017) and Seven Seas Marine Gel (VLT0.4028) for an infusion of natural marine benefits.)*

Spiced Apple Crumble Mask (VLT0.4504) reveals radiant glowing skin with L-Lactic Acid, L-Malic Acid and Fruit Enzymes.

MOISTURIZERS

Beta Fructan Cream (VLT0.5005) moisturizes with exceptional hydrating properties for everyday use, unscented and oil free.

Blue Chamomile Cream (VLT0.5009) reduces inflammation and sensitivity with Calendula Officinalis Flower Extract, Chamomilla Recutita (Matricaria) Flower Extract and Horse Chestnut.

Calypso Cool (VLT0.5018) the gel texture of the moisturizer works to satisfy all skin types and has no limitations. We combined luscious blends of Banana, Papaya, Mango and Pineapple Fruit Extracts to nourish and soften the skin.

MOISTURIZERS (CONTINUED)

Chain Reaction Cream (VLT0.5002) reduces and prevents wrinkles, protects and nourishes mitochondria and plumps and smoothes skin with Mitoprotect™, EGF and Chronoline™.

Cranberry Cream (VLT0.5006) provides potent antioxidant and antibacterial benefits of Cranberry, Tocomin® and Totarol.

Glycolique 10% Cream (VLT0.5008) reduces the signs of wrinkles with Glycolic Acid while also strengthening skin tissue with Hydrolyzed Collagen and D-Glucosamine HCl.

Hyaluronic Cream (VLT0.5007) provides optimal hydration and skin protection with a blend of L-sodium Hyaluronate, Cassia Angustifolia Seed Polysaccharide and Rose Hip Oil.

Hyaluronic Lotion (VLT0.5003) plumps, moisturizes and protects the skin with L-sodium Hyaluronate, Cassia Angustifolia Seed Polysaccharide and D-beta Fructooligosaccharides.

Matte Gel (VLT0.5010) improves acne and sebum related skin issues with anti-bacterial and anti-inflammatory benefits from Lilac Stem Cells, Totarol and Spin Trap.

Neroli Cream (VLT0.5000) hydrates and rejuvenates skin with Kombuchka™ and L-carnitine to reveal luminous, radiant skin.

Night Cream (VLT0.5004) provides antioxidant, collagen strengthening, anti-inflammatory and brightening benefits of L-ascorbic Acid, Astaxanthin and Giant Knotweed Extract.

Oil Free Moisturizer (VLT0.5011) Botanical Stem Cells and Montmorillonite regulate and absorb sebum.

Radical Reversal (VLT0.5050) repairs, restructures and fortifies fragile mature skin with Essenskin™.

Renewing EGF Cream (VLT0.5012) renews and promotes healthy tissue growth, stimulates inter-cellular communication and reduces wrinkles with its effective combination of EGF, Cytokinol™ and Indian Ginseng.

Revolutionary Moisture (VLT0.5023) an impressive blend of our *FlowerFractions™* complex that has evoked its presence since its inception, made up of powerful antioxidants and collagen properties that leave your skin feeling moisturized and re-vitalized.

BALMS

Aloe Gel 1% HC – OTC (VLT0.5301) calms irritation with Hydrocortisone, White Ginger Extract and Bisabolol.

Solace (VLT0.5305) a creamy-gel texture that combines RejuvenOx™ and Cytokinol®, ingredients that aid in wound healing, smoothes fine lines and wrinkles, relieves inflamed skin and reduces sensitivity without a heavy, greasy residue. Solace also works well on sensitive and environmentally stressed skins.

EYES

Bye Bye Birdie (VLT0.5503) fights pesky crow's feet due to the powerful wrinkle reduction and collagen building ingredients of Snap-8, Inyline™, encapsulated Retinol and Edelweiss Plant Stem Cells.

Eye Wish (VLT0.5504) conquers dryness and effectively firms as soon as the 'light as a feather' cream is applied to skin thanks to the efficacious, elite luxury team of Fi-Flow, Argireline®, Leuphasyl® and Chronoline.

Illuminating Eye Cream (VLT0.5501) firms, hydrates and brightens with Soybean Protein, Arbutin and Sodium Hyaluronate.

Lavish Lash & Brow Peptide Serum (VLT0.7500) thickens, lengthens, conditions and darkens lashes and brows with Myristoyl Pentapeptide-17, Malus Domestica (Apple) Fruit Extract and Tricholastyl®.

Pack Your Bags (VLT0.5502) soothes under eye bags, lessens dark circles and helps to eliminate and prevent wrinkles with a fully loaded blend of Eyeseryl™, Haloxyl™, Bioskinup™ and Hesperidin.

Spin Eye (VLT0.5508) uniquely delivers intense moisturization and protection to the eye area with a delicate prism-like combination of Liquid Crystals and Spin Trap.

SUN CARE

Day Cream SPF 30 – OTC (VLT0.6000) offers broad-spectrum protection and is infused with Hyaluronic Acid.

Elite Natural SPF 30 – OTC (VLT0.6007) Zinc Oxide, Red Algae and Thiotaine® provide broad spectrum protection from UVA and UVB exposure.

Natural SPF 28 – OTC (VLT0.6004) moisturizes and provides UVA/UVB protection with natural Zinc Oxide and Titanium Dioxide.

Sol Protect SPF 17 – OTC (VLT0.6002) features Zinc Oxide, Tocomin™ and Astaxanthin for sun protecting, moisturizing and antioxidant properties.

BODY

Biscotti Body Oil (VLT0.6603) Biscotti Body Oil has blended seven (7) oils that work together reducing the appearance of stretch marks, improves circulation, skin firmness and enhances barrier function and moisture retention including natural almond and biscotti aromatherapy blends.

Citrus Zest Polish (VLT0.6402) this product is formulated with a stable Salicylic Acid bead that when rubbed onto the skin breaks easily to release the Salicylic Acid providing exfoliation, stimulates new cell growth and reduces inflammation.

cosmopoliTAN (VLT0.6604) cosmopoliTAN self-tanning Body Lotion is formulated using a 100% natural and Ecocert approved Dihydroxyacetone (DHA), Vegetan®. We also added Watermelon Fruit Extract (Pepha®-Protect) which protects important cell structures from damage by UV induced free radicals, plus the beautiful bronze lotion makes application easy.

BODY (CONTINUED)

Firming Body Lotion (VLT0.6600) improves suppleness and elasticity, firms, smoothes and moisturizes with Soybean Proteins, Cocoa Butter, Honey and Squalane.

Hand Jive (VLT0.6602) provides skin conditioning and moisturizing benefits to dull dry hands with Mango Butter, Lanosterol Esters and Chamomile Flower Wax.

Jumpin' Jack Flash (VLT0.6606) a moisturizing body lotion created for women enduring the "change" of life. The actives chosen provide relief from hot flashes, while helping to balance the skin and other hormones, ultimately improving vitality and appearance.

Passionfruit Body Polish (VLT0.6401) potent antioxidants from Arctic Cranberry, Maracuja and Tocomin® with the combination of Glycolic Acid and Bamboo help buff your way to healthier looking skin while letting the antioxidants protect against environmental debris.

The Plunge (VLT0.5052) lifts the delicate skin of the neck and chest and increases volume with Dynalift™ and Volufiline™.

HAIR

Citrus Shampoo (VLT0.7000) invigorates with a rich lather provided by Amaranth, a foaming peptide.

Rosemary Mint Conditioner (VLT0.7001) improves hair moisture content, texture, body and manageability with a luxurious conditioning blend of Silk and Wheat Proteins.

SaHAIRa Oil (VLT0.70002) a luxurious mixture of indigenous oils that effortlessly cover hair, wet or dry, providing both protection and a silky shine. The triple blend of active ingredients will be sure to keep your hair drought-free.

MISC.

All in Good Prime (VLT0.7505) a "classic" blend in the making, of anti-aging actives and extracts, that create a silky texture which glides over your face, providing a picture-perfect base for makeup application, to ensure you are "red-carpet" ready.

Bio-Guard Mist (VLT0.6700) promotes health, wellness and environmental cleanliness with a specialized blend of anti-microbial essential oils, when misted in air and on linens.

COLOR PALETTE

Cheek Gels provides potent antioxidants with Phycocyanin and Camu Camu Fruit Extract while adding a touch of color to your cheeks...colors include:

Sweet Pea Pink (VLT0.7501X)

Bronze Glow (VLT0.7502X)

Rose is a Rose (VLT0.7503X)

COLOR PALETTE (CONTINUED)

Hint of Tint Serum - Anti-Age the amazing R&D engineers at CoValence are building a new, superior tinted serum. Please let your Sales or Account Executive know if you would like to be added to the exclusive 'Grand Opening' Wait List.

Volu-9 Lip Tint (VLT0.8000X) hydrates, strengthens and adds volume to the lips with Volufiline™ while adding a dash of color.

SOLID CLEANSERS

All Skin Bar (VLT0.1101R, VLT0.1101B) improves moisture and hydration retention, soothes and restores skin. (Available in 4 oz. bar or 32 oz. loaf)

Brightening Bar (VLT0.1102R, VLT0.1102B) provides gradual and continual skin brightening by inhibiting melanin production through Azelaic and Kojic Acids. (Available in 4 oz. bar or 32 oz. loaf)

E.R. Bar (VLT0.1100R, VLT0.1100B) features Sulfur and Salicylic Acid to help balance and control problem, oily skin. (Available in 4 oz. bar or 32 oz. loaf)
